

POPOTLA HOMEOWNERS ASSOCIATION

FALL 2011

PRESIDENT'S MESSAGE

Here is what Popotla looks like in the fall. The weather is great, the sunsets are awesome and the dress code is up to you...the dolphins are out swimming with the surfers so come on down and join the fun. The summer went like a green flash and I am happy to report that the HOA parties were well attended and we made money. A big gracias to Gabriel and Maria for the music and art activities they provided during summer. The 2012 dates have been set so get out your calendars and start planning for next year. Popotla is sending you wishes for a wonderful holiday season.

Regards, *Cindi Funk*

Here are some safety reminders from the office. Make sure you check your propane tank for rust and leaks and make sure your unit is numbered clearly. Please consider installing a motion detecting outdoor lights for security. It is the resident's responsibility to keep interior patios clean and trees trimmed. Park workers are for hire through the office.
